BAR HILL VILLAGE FÊTE SATURDAY 3RD JULY 1 PM 'TIL LATE

We will be holding a cake competition again this year. The recipe for the **Victoria Sponge** is on page 21. If you would like to enter, please complete the entry form (on page 21) and return to the Parish Council Offices in an envelope marked 'Cake Competition Fete 2010' before **Wednesday 30th June**. **First prize is a £5 gift voucher.**

Cakes should be brought to the Village Hall between 12.30 and 12.45 pm. Doors will then be closed and judging will take place at 1 pm. Cakes can be collected at 4 pm. No responsibility can be taken for cakes entered.

Although children are welcome to enter the Cake Competition we are also running a **Flag Designing competition**. As most of you are aware it is the Football World Cup and we thought it would be nice to encourage the children to design their own flag. It must be **on a piece of paper no bigger than A4**, and can be decorated in anyway. Please complete the entry form (on page 21) and return, with your entry, to the Parish Council Offices no later than **Wednesday 30th June**. **First prize is a £5 gift voucher in each age group.**

Evening Entertainment

This will start at 6 pm and we are pleased to confirm that we will once again be having several live bands to entertain you during the evening. The bands will be announced in next month's issue. There will also be hot food available during the evening.

Last year there was a lot of rubbish left behind and lots of broken glass. Because of this we are asking that you don't bring any glass bottles this year. We hope that you will also help by taking your rubbish home with you. There will be black bags and bins provided. Thank you for your understanding.

NO GLASS BOTTLES PLEASE!!

PLASTIC BOTTLES ONLY!!

Copy date for the next issue is 15th May to Margaret Sellars at bhneditor@yahoo.com or see page 2 for other contact details.

Dear Editor

I would like to praise Dr Ranasinghe and the dedication she showed as our GP and feel sure that she will be missed by many here in Bar Hill. Having been a patient of hers for roughly 20 years she and all the staff at the health centre have been very professional in everyway with my dealings with them. I do know my son, his wife and 3 children are thankful to her for her dedication to her work. Without Dr Ranasinghe I doubt that I would be writing this letter today. To me and my family she is one in a million and we all wish her well for the future and yes, she will be missed.

Dear Editor

How nice it was to see the construction of the 2 small walls either side of the road at each end of the village to clearly show that one is entering a residential area, but how disappointing that the signs are so industrial looking. Those in Crafts Way are also located in a position that makes it somewhat difficult to see along the road as one leaves the roundabout and enters the bend in the road. Surely it would have been nice if they at least said "Welcome to Bar Hill" and with a little imagination perhaps could have incorporated the bird emblem which is on the wooden structure near the entrance roundabout.

Yes they do the job and clearly show that lorries are not welcome beyond those points, but this could have been an opportunity to make our village a more welcoming place for residents and visitors alike. I have often heard Bar Hill referred to by non villagers as "Tesco Town"; how good it would have been to show it for the lovely place to live that it actually is.

Sue

Dear Editor

As a resident of Bar Hill and as a professional arboriculturalist, I was delighted to read at the back of the BHN April edition that there has been some suggestions that part of the £9,000 available for village projects could be spent on new trees.

I would wholeheartedly support this as there is a dire shortage of good specimen trees within the village. What concerns me, however, is the current issue of unprofessional tree surgeons being appointed by the Parish Council. It saddens me greatly to see so many beautiful trees in the village that have been butchered over the years and the cases of badly managed trees is actually increasing. If the Council is to invest a large amount of money in trees for the village, then it is important that they be managed professionally.

Disappointing News about Darcy

Guide Dogs

Darcy has unfortunately been withdrawn from training as a guide dog due to her sensitivity, leading her to refuse to wear the guide dog harness. Her trainer has tried adjusting it so that the handle does not touch her back when it is put down but this has not helped. She has become extremely stressed about the harness leading her to cower if it comes near her, this is very sad as she was doing quite well in other respects. Her stress levels are such that it is not thought advisable for her to train as any other type of assistance dog so she is going to be adopted out to a family.

We are not going to train another puppy but will be boarding pups for other puppy walkers to have a break or in case of illness etc. So in future you will see us around the village with a wide variety of pups different ages.

Yours sadly

FRIENDS OF BAR HILL LIBRARY

Sit down and be counted!

Our next coffee morning will be on **Thursday 6 May** in the Library, from 10 am to noon. Come and meet your friends and make new ones. More important, come along and be counted. Those attending events in the Library are being recorded these days, and your name on a list will demonstrate that you value your Library. There will be another coffee morning on **3 June**, same time, same place.

Show you care about your Library

A quarter of the budget for libraries in Cambridgeshire is being slashed this year. The county's libraries are at risk of significant reductions in opening hours, loss of staff and events, and even closure. Use your Library so that those who make the decisions about where to make savings know we really want the one we have in Bar Hill. Book borrowings, computer use, attendance at events – all these things are being monitored and they all matter. Don't put off your visit to the Library until it is too late.

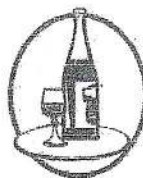

Friends groups are regarded highly by the authorities. Membership shows that you value your Library. **If you have not renewed your subscription for 2010, the committee urges you to do that now.** If you have never joined, you can do that for a modest fee that will not only help your Library but also help you, by giving you concessions. Please join us (or rejoin us); just ask the Library staff.

Sell-out at the Library

Alison Dickens of the Cambridge Archaeological Unit came in April to tell us about what was found on the Grand Arcade site. Those who were fortunate enough to hear her (we ran out of space and just managed to squeeze in the last person) learned a lot about Cambridge as it was up to eight hundred years ago. Watch out for our next talk, on a very different subject.

BAR HILL COLTS FC PRESENTATION DAY

2009/10

To mark the end of the football season, Bar Hill Colts FC will be holding a kids activity afternoon and their annual presentation evening on

Saturday 12th June.

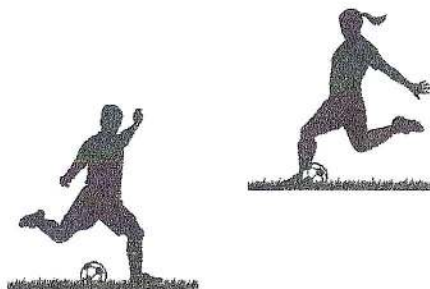

To complete this day of football there will be a big screen for everyone to watch the World Cup game together between

***** England and the USA *****

All kids' football activities will be free to take part and will take place on the village/school green with the presentations in the school hall.
Kid's activities start at 1.30.

Team presentations begin at 4 pm. There will also be a chance for the grown-ups to show off their football prowess (ladies and gentlemen!) as well as bouncy castles, ice cream, a BBQ, and a licensed bar.

We hope you can come and join in the fun and celebrate the kids' achievements throughout the last year.

Bar Hill Jets into Final

Well done the U17s team who have gone through to the League Cup Final! They will play St Neots on Sunday 16th May. Kick-off is 10 am at the Cambridge Stadium. Good luck to all the team for the final.

Well Done Ravens

The U9's match against the high flying Chesterton Eagles was a closely contested encounter. A fine start with some slick passing led to Ali Rees lashing home a right footed bullet that left the goalie helpless. The Ravens had some great vocal support from the side lines and ended the first 15 minutes in front. The away team equalised soon after the restart. With confidence high the Ravens continued to take the game to the opposition and were soon rewarded with a second goal courtesy of a deflection from a defender. Concern was mounting as Chesterton surged forward and two quick goals left the Ravens trailing 3-2 with seven minutes remaining. A series of moves saw the Ravens hit the post and with the ref's watch ticking a great turn and left footed finish by **James Debono** hit the back of the net to level the scores. A morale boosting draw left looks of delight on the teams faces at the final whistle.

A Well Deserved Draw

The U8's played Over on a beautiful sunny morning. The Bullets were without two key players at the start, both **Evan Barrett** and **Tommy Tyrrell** had not been well. We knew we would have a challenging match as Over took an early lead. **Zak Yorke** came out of goal to bring us level but we were soon behind going into the third quarter, conceding two goals. Some excellent defending from **Jamie Wilkinson** kept the scores level during the third quarter, and some good skills from **Luke Swanser** and debutant **Raeel Afaal** tested the Over goal. In the final quarter, **Evan** and **Tommy** came on to boost the core of the team and we soon had the upper hand. **Dan Cundy** scored a great individual goal and **Tommy** brought us level at 3-3 with a well taken goal whilst under pressure from the Over defence. The final whistle went a minute later and all the parents and spectators agreed that a draw was a fair result - more importantly, the kids loved it and we all had a really enjoyable morning

HAPPY HOURS

Most of our members were very sorry to see our doctors leaving and are a little apprehensive of the new regime but we will have to wait and see how it works out for everyone.

Another two of our members celebrated their 90th birthdays this month: we now have quite a few 90's.

Our member Dennis Kelton kindly played for us one afternoon. It's so much better to have some "live" music which we all enjoyed. Dawn, one of our members, also introduced us to The Cinnamon Trust, an organisation which looks after any pets on a temporary or permanent basis.

Our members all received a small Easter egg and we also had a free raffle of Easter chocolates. This month's plan includes a raffle for Magpas and a speaker from the American Cemetery who will be telling us about some big changes that are planned.

REPORT FROM DISTRICT COUNCIL- LORS ROGER HALL AND BUNTY WATERS

Guidelines agreed for new developments

New sets of guidelines for affordable housing, landscaping, sustainability and design at new developments in South Cambridgeshire have been adopted by South Cambridgeshire District Council.

The guidelines are included in three new sets of plans outlining where and what type of development can take place across the district up to 2016 and, in some cases, beyond.

These are:

- ☐ Affordable Housing - making sure that a suitable proportion, type and mix of affordable housing is provided to address high levels of local housing need, and outlining how these policies will be implemented.
- ☐ District Design Guide: high quality and sustainable development providing additional guidance on making sure that developments respect local context.
- ☐ Landscape in New Developments - supporting the importance of landscaping being fully incorporated into the development design stage, with, where possible, new planting and the retention and enhancement of existing landscape features.

Please contact myself or Roger Hall if you have any issues or queries.

This will keep you up to date on current affairs in the village including meeting minutes and agenda.

For all you regular walkers out there

The County Council has produced a Countryside Access Map entitled "Walks and Rides around the Northstowe Hundred". A very interesting history of the local countryside and lots of pleasant walks and bike rides for you enthusiasts. If you would like a map please call in to the office as I have been given a substantial supply.

Litter Picking Day

This was once again a great success. Not as many people as last year, but twice as many bags collected, so we had the enthusiasm if not the numbers. It has been decided that we will be undertaking a further Litter Picking Day in September and I will post the date over the next couple of months. Many thanks for all those who turned up and continue to keep this village looking tidy.

Dog Fouling

Once again, I have had many residents complaining that dog owners are not clearing up after their dogs, especially on the village green. This is an area for everybody to enjoy so please pick up after your dogs.

Lost and Found

I have various sets of keys that have been handed in and still have the MP3 Player that was found close to Acom Avenue and Foxhol-low. Also a watch was found over the last few weeks. Please visit the office if you think any of these items may belong to you.

Parking

Once again this has become an issue of concern, especially in the Otter Close/Gardens area. I am appealing to those of you who own more than one vehicle to please use the garage that you have provided with your property, or at least park outside your own garage and not in front of the drives of other residents.

Bus Timetables

I have downloaded the new bus timetable for Stagecoach so if you would like to have a copy please pop in to the office.

Parish Council Meetings

The next monthly Parish Council meeting will be on Thursday 20 May at 7 pm in the Parish Council Office and all members of the public are welcome to attend.

I have held a position on the Committee for many years, and have been running the bingo on a Sunday evening for over 10 years. I was also a Committee member of the Social Club for over 10 years, so I am familiar with the running of the Village Hall, and know how important it is as part of our community. I hope to keep the Village Hall running smoothly, with the help of the Bookings Clerk Alexa, Caretaker Cathie and of course, the Committee.

CRICKET CLUB

By the time you read this most of us will have come out of hibernation and played our first matches of the summer. The firsts and seconds were due to have their first match on May 1 and the thirds start on May 8.

These are the first steps of a busy summer, with a packed programme of Saturday, Sunday and midweek (youth) cricket, plus training and fundraising events.

As well as the league matches this month, the firsts will set out in the Twenty20 cup on May 30, when they will be away to the winners of the preliminary round tie between Cokenach and Cambridge St Giles.

We also have a programme of Sunday friendlies, including a **Twenty20 match** against Girton on May 23 and the **Chairman's Challenge**, where we take on the Social Club, on June 20.

Youth training nights started on Tuesday April 27 and will take place **every Tuesday night from 6.30 pm to 8 pm** until the schools break up – and possibly longer. Although the only youth team will be at under-13 level (playing their first match on May 6), **all ages, boys or girls, are welcome** at training. There is a one-off annual membership fee of £15, but there will be no weekly subs or match fees.

Please call me on the number below for more details, or visit our website.

Adult nets will take place on **Wednesdays** at Cottenham Village College between 6.30 and 8 pm (subject to confirmation – please see the website for details).

The club has recently launched a project to build permanent **nets** in Bar Hill and is grateful to the Parish Council for their assistance so far. It is a long-term project, but it is hoped to have the facility up and running in two years' time.

The club is once again running a **fantasy cricket** competition, in which people may pick a team and score points based on our actual performances on the pitch.

There are **cash prizes** up for grabs and, as the teams will be drawn out of a hat, no cricket knowledge is needed. If you would like to help our fundraising by purchasing a team at a very reasonable rate, please contact me or approach one of us during a match (we don't bite – unless we have just been dismissed for a duck!)

Finally, **thanks** to everyone who helped out at the recent Cricket Force event, and to Ken, who has kindly re-set the poles around the pitch for us.

For more information about all our activities, visit www.barhillcricket.org.uk or call me on the number below.

We are situated in our purpose built building next to the School, with direct access from the playground. We provide childcare for children aged 4-12 in a safe, stimulating and caring home from home environment with trained and experienced staff. The children walk directly to us when school finishes, with the reception and infant children being met in the reception classes and then accompanied to our building by our staff.

Our children enjoy a wide range of inspiring equipment, games and craft activities, from pool to computer games, dressing up to craft and lots more, or if they prefer they can chill out on our comfy sofas. We also use the safe environment of the school playground for outdoor play. A snack, such as pasta, filled pittas etc followed by a biscuit and fresh fruit is provided. We make birthday cakes to celebrate each child's birthday, which we share.

Evian is Naïve spelt backwards...

Bottled water is marketed as healthy and clean. In the UK, our tap water is healthy and clean. The financial cost of bottled water can be up to 1,000 times more than tap water, the moral and environmental cost is much higher:

- ☺ **Production:** energy and resources are used to manufacture bottles and to source, then bottle the water
- ☺ **Transportation:** whilst some bottled waters are produced in the UK, many are sourced from France, Hawaii or New Zealand
- ☺ **Packaging:** in the UK we send enough plastic bottles to landfill to fill Wembley Stadium twice over - they take up to 450 years to decompose!

We are spending nearly £2 billion a year on bottled water when a billion people don't have safe water.

Bottled water is an ingenious piece of marketing but if you stop and think, isn't it just another case of 'the Emperor's new clothes'. Please stop buying bottled water:

Use tap water at home.

If you are in a restaurant ask for a jug of tap water, instead of paying for bottled.

Fill up a bottle of water from the tap before going out
Encourage your employers to use tap water in meetings.

Tips for taste

There have been various blind taste tests between bottled and tap water in which many people struggle to tell the difference. However, here are some tips for your tap water:

- * Place a covered jug of tap water in the fridge for a few hours before drinking to reduce any chlorine taste
- * The chilled water has a lovely taste, as long as it hasn't been in there for more than 24 hours
- * In 'hard water' areas you may find a preference for filtered water.

As many of you may know one of our long-serving teachers, Mrs Julie Gawthrope, will be leaving us at Easter to take up her ministerial role at St John the Evangelist church in Cambridge. Mrs Gawthrope has been a very committed teacher who will be

much missed but we wish her every happiness in her new post.

Fundraising: the children and staff raised a total of £745.15; £504.65 for Sport Relief and £240.50 for the Have a Heart appeal run by Heart Radio which supports local children in difficult circumstances.

We now have a fully secured site during the school day and all the gates are locked between 9:15 and 2:45. If you need to visit the school during the day access is via the gate near the village green play area and works via a buzzer system to the school office.

We would kindly request that anyone wishing to attach a notice to our gates ask permission from the site manager before posting notices. Any unauthorised notices will be removed.

Infants' Report

We have had a busy time lately. Recently the children have made and sold their own products for an Easter fair; they chose the prices and made their products totally by themselves. They thoroughly enjoyed making the bookmarks and balloon car kits which sold well at the fair.

This term we have been looking at Science, especially ourselves and animals including their homes. Emily in Year 1's Granny came in to talk to us about bees and wasps. We have also started a vegetable patch with the help of one of our parents, Mrs Sands, and are looking forward to watching the seeds grow.

In Year 1 we have started 'blogging' using the internet. The children write about what they have done in and out of class with some ease which is encouraging to see.

AGM 28th MAY 8 pm

Bar Hill Community Market

As you know we have been running a community market now in the village since September 2009. The idea is for it to be a place where people could sell items that they had made and for the village organisations to have a place to raise money and also a meeting place for people to chat over coffee and cakes. We charge a table rent to private enterprise, from which we pay the rent for the building usage and then the rest of the money is donated to projects around the community. In April we have been able to give away the sum of £250, which has been shared between Holiday at Home, Under-ones and Preschool.

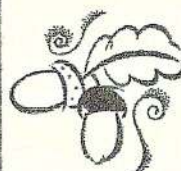

At the moment people sell Jams and Chutneys, Knitted and Sewing items, Jewellery, Handmade Cards, Sweets, Cakes, Wooden crafts, Aloe Vera products and Make-up products. We would like to encourage others to have a table, we would love to have anyone selling either plants or vegetables. Also we have allocated a few tables for people wishing to sell nearly new items so if you have something to sell then please contact us.

Please note that the next market is on 1st May and we will be opening with a new time of 10.30 am-12.30 pm So please come and support us so that we can continue to have a place to go and a place to make money that helps community projects.
